**Mauritius Inspection Certificate**

29<sup>th</sup> July 2024

Dear Stakeholder,

JEVIC has upgraded our online system, as per the notification on 23rd April 2024, and this has resulted in a format change for the Year / Month of First Registration on the Mauritius certificates;

10) Year / Month of first registration:	Previous system	Current system
i.e.: January 2022	2022 / 01	202201

Our apologies if this has caused some unintentional confusion, and we will revert to the previous formatting in an upcoming system update.

Please contact us for any query at [contact@jevic.com](mailto:contact@jevic.com)

Sincere regards

**JEVIC COMPANY LIMITED**
