

General announcement 2024-13
Fiji Land Transport Authority (LTA) motor vehicle preshipment inspection
changes for Japan

16 Dec. 2024

Dear Clients and Stakeholders,

Thank you for your continued support of the important Fiji Land Transport Authority (LTA) motor vehicle preshipment inspections, improving the safety of vehicles exported to Fiji.

We have worked with the LTA to implement further technical inspection items with the current service.

These assessments are;

- Outstanding Recall Information
- On-Board Diagnostic (OBD)
- Event Data Recorder (EDR)
- Paint Thickness

Added Information into the Certificate;

- Specification and Classification Codes
- Vehicle dimensions
- Changes to the Detailed Description (p3)

Additionally, we will deploy an Online Portal for public access to information from these Reports, note that we will not display the report itself.

The new fee for this verification per vehicle is;
JPY25,027 [FJD382.20 (VEP)]

These changes will be implemented for inspections on the **01 February 2025**

If you have any enquiries, please feel free to contact us contact@jevic.com

Sincere regards
